(ORDERS.)

This application should be addressed to the commanding officer of the Regiment, and IF APPROVED BY HIM, forwarded to District Headquarters.

Furloughs are made out only on the approval and request of the commanding officer of the Regiment or Battery. The endorsement on first fold will give the name, rank, Company and Regiment *of the man to be furloughed*, instead of the writer; but will, in other respects, conform to General Orders, No. 3, current series, from these Headquarters.

Enlisted men sick in General Hospital or upon detached service, will receive furloughs in the proper proportion, upon the recommendation of the officer in charge of detachment, etc., and Regimental Commanders cannot include such absent men in estimating the five per cent. to be furloughed from the Regiment.

(ORDERS.)

This application should be addressed to the commanding officer of the Regiment, and IF APPROVED BY HIM, forwarded to District Headquarters.

Furloughs are made out only on the approval and request of the commanding officer of the Regiment or Battery. The endorsement on first fold will give the name, rank, Company and Regiment *of the man to be furloughed*, instead of the writer; but will, in other respects, conform to General Orders, No. 8, current series, from these Headquarters.

Enlisted men sick in General Hospital or upon detached service, will receive furloughs in the proper proportion, upon the recommendation of the officer in charge of detachment, etc., and Regimental Commanders cannot include such absent men in estimating the five per cent. to be furloughed from the Regiment.

This application should be addressed to the commanding officer of the Regiment, and IF APPROVED BY HIM, forwarded to District Headquarters.

Furloughs are made out only on the approval and request of the commanding officer of the Regiment or Battery. Enlisted men sick in General Hospital or upon detached service, will receive furloughs in the proper proportion, upon the recommendation of the officer in charge of detachment, etc., and Regimental Commanders cannot include such absent men in estimating the five per cent. to be furloughed from the Regiment.

FINAL STATEMENT

OF

Private

Elijah B. Smith

Co "C" 24 Reg't of Missouri Inft.

VOLUNTEERS.

Died Oct 2 1864 64

NOTE 1.—*Two of* these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his *discharge*, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on the final statements, the clothing account, and all other charges against him or in his favor, so as to compose a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should not be under the head of "Other Stoppages."

COMMUTATION OFFICE
DEC 14 1864

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Government must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

I CERTIFY, that I have carefully examined the said Oliver Smith of

Captain Starks Company, and find him incapable of performing the duties of a soldier

because of (*Here consult par. 1124, p. 245, and directions on Form 12, p. 209, Med. Dept. Gen. Reg.*) gunshot wound accidentally rec'd

in his right forearm The ball (a musket ball) lacerated the muscles used for flexing the fingers

& Sublimus and & Longus Profundus Digitorum on its inner. It also passes through & lacerated the Biceps

& Longus. The little and ring fingers are permanently disabled the other partly the wound in the Biceps prevents

the extension of the fingers upon the arm. It is my opinion that he never will be able to perform

the duties of a soldier. That he is partly disabled for life and that a discharge from the

service is absolutely necessary. Disability permanent
